A Message from the Mayor

On behalf of my colleagues on Vancouver City Council and the citizens of Vancouver, I want to extend our best wishes to Decoda Literacy on the occasion of your 10th anniversary.

Literacy is one of the foundations of an engaged and equitable society. Founded in 2011, Decoda Literacy has worked to increase the literacy and learning skills of children and families, youth, adults and seniors to improve their quality of life at home, at work and in the community.

Thank you to staff and volunteers for your commitment to a British Columbia where everyone has the literacy skills they need.

Sincerely,

A handwritten signature in black ink that reads "E Kennedy Stewart". The signature is fluid and cursive.

Mayor Kennedy Stewart
