# Literacy Matters

How Letters and Numbers Help Us

Letters and numbers help Rachel read safety signs.

Letters and numbers help Rachel write on the calendar.

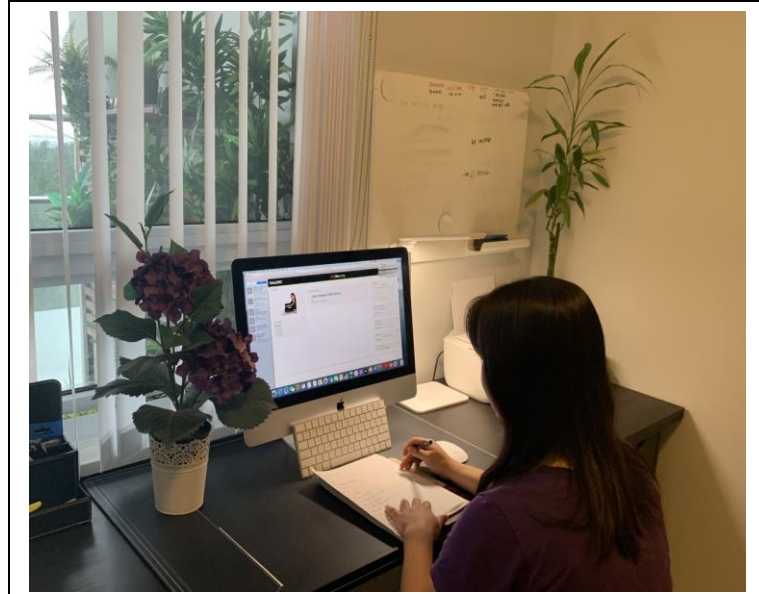

Letters and numbers help Emma read and recognize fruit.

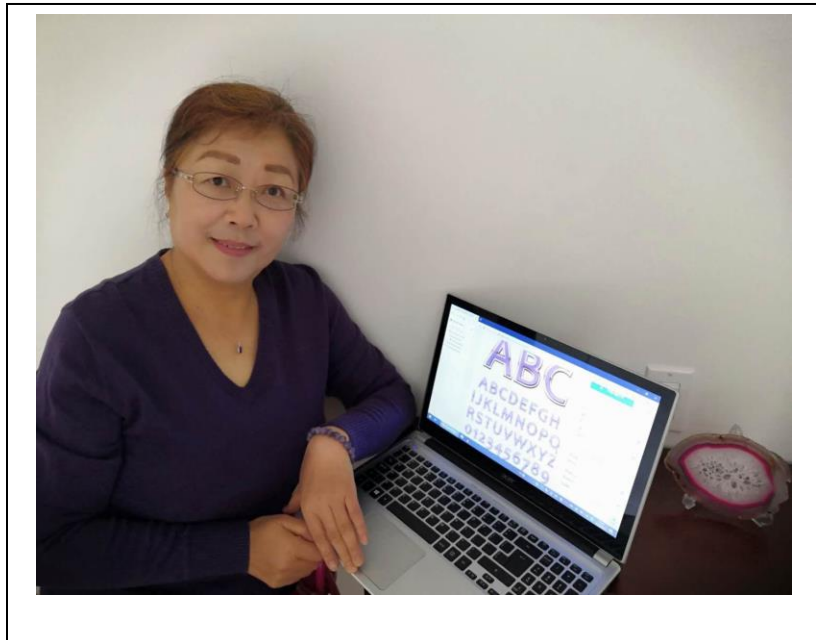

Letters and numbers help Aysel study and message her friends.

Letters and numbers help  
Mhabad study English.

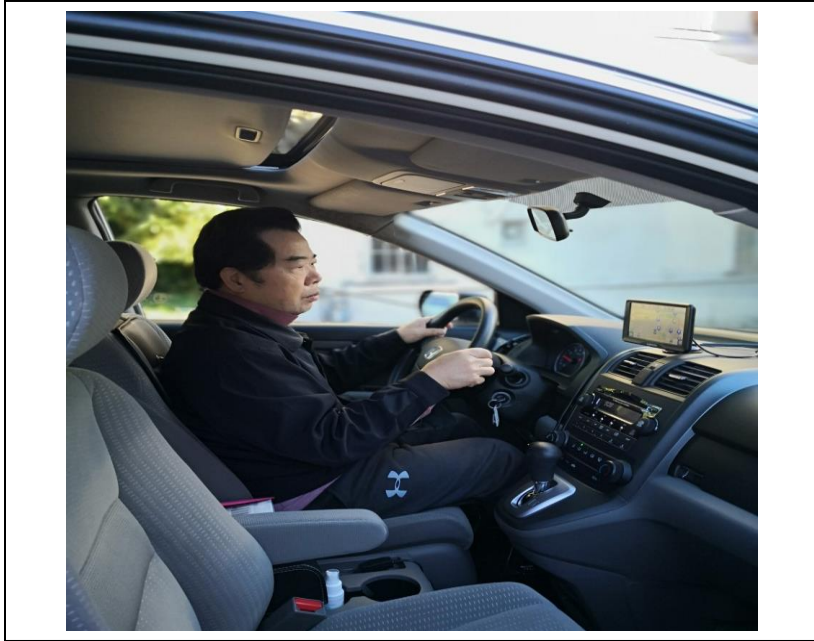

Letters and numbers help Yuki use  
the computer to study on Edulinc.

Letters and numbers help Emma use the keyboard on the laptop.

Letters and numbers help Mike look at street signs.

Letters and numbers help Derrick navigate in the car.

Letters and numbers help Xiu Lin use the computer.

Letters and numbers help Yan Zhou go shopping.

Letters and numbers help Winnie fly to China.

Letters and numbers help William go to a restaurant.

Letters and numbers help Alice go hiking.

Letters and numbers help Junna read the name of a boat.

# The End

Thanks to Rachel and Rachel's LINC 2 students at Windsor Neighbourhood Learning Centre for all of their great ideas and pictures about how literacy matters to them.
