Let's Read Together!

Toddlers (1-2 years old)

Connect • Discover • Enjoy

Reading together is a special time for families. It's a shared experience that toddlers enjoy. And reading together is a great way to learn that reading is fun.

Together you can read:

- **Picture books:** Talk about the colourful pictures and simple stories.
- **Action books**: Copying action words in books – jumping, rolling, wiggling and more – is fun.
- **Poems and Songs:** The rhythm and rhyme make them easy to remember.
- **Signs and Labels:** Find signs and labels to read, at home and in the community.
